American Girls Program @ Your Library!

Join us at the Hampton Memorial Library in Easley at 10am on Saturday, September 11, for an American Girls program featuring Kit Kittredge and her best friend Ruthie, two resourceful girls facing the Great Depression with spirit and determination. Kit and Ruthie loved writing so participants in this program will get to help write a newspaper article. We'll also be making picture frames so participants may bring a photo. During snack time, we will be collecting non-perishable food items to be donated to a local soup kitchen.

Step back in time with this historical enrichment program offered monthly by The Pickens County Library System and based on the American Girl series. Each program, presented by Mrs. Sandra Hubbard, features one of the American Girl characters and activities relating to a particular historical era. These programs are free and open for all to attend and enjoy. For more information please contact the library's youth services department at 850-7077.
