Join the Easley Chess Club!

At around 4pm on the first and third Thursday of each month, you'll find the meeting room of the Hampton Memorial Library in Easley filled with children eager to learn about and play chess. Started in September of 2009, the Easley Chess Club has already grown to well over 30 members!

The Club is free and open to all children ages 6 and older. Beginners, as well as experienced chess players, will meet new friends, learn about the game, develop new skills, engage in casual play, and work toward prizes and recognition!

New members are always welcome! Having access to a computer and internet at home is helpful, but not required. Chess sets are provided for use during meetings. If you'd like more information about the Easley Chess Club, or if you're interested in volunteering as a mentor, please come to one of our meetings or call: Wendy Rumminger at 306-7919 or Mary Taaffe at 908-6837.
