A collection of handmade garden plant markers. Each marker consists of a wooden stick with a clear glass dome on top. The domes contain small images of the plants they identify. The sticks are wrapped with colorful string (orange, green, yellow) near the base of the dome. The labels on the markers include 'Spinach', 'Swiss Chard', 'Lettuce', and 'Carrot'. In the background, there are spools of colorful thread in shades of yellow, orange, and green.
