

Appendix G

Fees

Site Plan Review Fee

For land disturbing activities involving greater than or equal to one (1) acre:
\$100.00 per disturbed acre review fee, maximum review fee not to exceed \$2,000.00.

NPDES General Permit Fee

For all land disturbing activities involving one (1) or more acre and, in certain cases, less than one acre, an additional NPDES General Permit fee of \$125 applies. This fee will be collected on behalf of (SCDHEC) South Carolina Department of Health and Environmental Control.

Comments

⇒ Example: 2.3 acres disturbed = $2.3 \times \$100$ (per acre) = \$230.00 + \$125.00 NPDES fee
Total = \$355.00

⇒ Maximum fee for any project is \$2125.00. (\$2000.00 site plan review fee + \$125 NPDES fee)

⇒ For all phases and parts of larger common plans for development or sale, the review fee of \$100.00 disturbed acre applies.

⇒ As long as one phase of a larger common plan for development or sale has an active NPDES number (i.e. a Notice of Termination has not been submitted) then all phases are covered under that original NPDES number and the \$125 fee does not have to be paid again. However, the review fee still applies to all phases of the project.
