Geek Out @ Your Library! Celebrate Teen Tech Week March 5-9

All teens are invited to join us at the Hampton Memorial Library in Easley as we celebrate Teen Tech Week, March 5-9. Activities for the week include:

Monday, March 5, 4pm: Retro-Gaming- Join us for old school games on the original PlayStation.

Tuesday, March 6, 6:30pm: Geek Festival- Celebrate all that is good and geeky by coming dressed in your dorkiest outfit and participating in our Rubik's Cube challenge, virtual petting zoo, technological relics showcase, worst dressed contest, Dynamite dance contest, and more!

Wednesday, March 7, 4pm: Star Trek: The Motion Picture- Come see the original 1979 classic and boldly go where many trekkies have gone before.

Friday, March 9, 4pm: OnGuard Online- Have fun playing games online while also learning a few cyber-safety tips.

Programs will be held in the library's large meeting room with the exception Friday's OnGuard Online class, which will be held upstairs in the computer lab.

We'll be posting a technology-related question on the Pickens County Library System's Facebook page and all teens who comment between March 1st and March 9th will be entered to win a flexible computer keyboard.

Teen Tech Week is a national initiative of the Young Adult Library Services Association (YALSA) aimed at teens, their parents, educators, and other concerned adults. The purpose of the initiative is to ensure that teens are competent and ethical users of technologies, especially those that are offered through libraries. Teen Tech Week encourages teens to use libraries' non-print resources for education and recreation, and to recognize that librarians are qualified, trusted professionals in the field of information technology.

For more information, call the library at 850-7077 or email: reference@pickens.lib.sc.us
