

Team Up and Clean Up Pickens County *Celebrating 150 Years, Our Sesquicentennial*

Friday, March 23, 2018 | 8:00 a.m. - 12:00 p.m.
222 McDaniel Avenue, Pickens, SC 29671

Show your hometown pride by volunteering during this anti-litter blitz! More than 300 Pickens County employees have signed up to lead this countywide campaign as we begin our 150th year long anniversary celebration.

We'll be hitting the streets picking up trash and debris along roadways. Join us to pitch in and show your pride by helping us clean up Pickens County. Cleanup supplies will be provided.

We hope to continue the "team up and clean up spirit" throughout our Sesquicentennial anniversary year from April 2018 through 2019 and beyond.
