

Easley, SC

December 3, 2010

The EF1 Tornado which touchdown in the greater Easley area on November 30, 2010, had a significant impact on our community. First responders and recovery crews have been working diligently since the storm to get things back to normal. Unfortunately some of the damages caused by the storm will take longer and require more resources to repair.

To that end, a public meeting has been scheduled for Wednesday, December 15, 2010. The meeting will begin at 1:30 P.M., and the location is the Easley City Hall, located at 205 North 1st Street, Easley, SC.

The purpose of this meeting is to provide information concerning the process for qualified business and property owners to apply for low interest loans and answer any questions concerning the process.

Please make plans to attend this meeting. Should you have any questions beforehand, please contact the City of Easley at (864) 855-7900

Sincerely,

Jonathon "Fox" Simons, Jr.
City Administrator
