

## **Pickens County Launches New Website**

Pickens County launches new website. The new Home page includes beautiful pictures of Pickens County that includes Mile Creek Park, Hagood Mill, Pickens County Airport, Table Rock, Issaqueena Trail, Saluda Lake, Lake Keowee, Tillman Hall, etc.

The County Directory page includes all County Department's addresses and telephone information. You can click on the Department name to go to that department's page for information about that department. If you do not know where that County Department is located you can click the address and it will take you to Google Maps for directions to that County Department.

The Online Services page includes all the services that are available online broken out by the department that handles those services. When a citizen fills out the Request for Service form, an email is generated and then given to the appropriate office.

For information about County Council or to see the Council's Agendas and Minutes click County Council directly from the Home page. You will also find the Council's Agendas and Minutes in the Most Popular category directly on the Home page.

The new website also includes the Planning Commission's Agendas and Minutes and also the Board of Appeals Agendas and Minutes.

You will also find the Pickens County Survey's page in the What's Popular category directly on the Home page. On this page you will find the Customer Service Survey as well as the Questions, Comments, or Suggestions survey.
