Keep Making Waves @ Your Library!

As you may know the theme for this year's Teen Summer Reading Program is "Make Waves". There are still plenty of opportunities for teens to do just that! The following events will be held at the Hampton Memorial Library in Easley:

Tuesday, July 6 – Make your own flip flops. Is there anything duct tape can't do?

Tuesday, July 13 – Design your own T-shirts using bleach pens to create a cool reverse tie-dye effect.

Tuesday, July 20 – It's time for craft shells and cheesy karaoke. Sing along to your favorite songs and make your own beach souvenir.

Tuesday, July 27 – No one makes bigger waves than the U.S. Navy. Come find out what the Navy has to offer.

Tuesday, August 3 – End of summer luau and gaming party. All teens are welcome to attend but only those who have completed the summer reading program will be eligible for the prize drawings.

All events begin at 3:30 pm, but if you can't make it right at 3:30pm, just join in when you get here! Look for more cool ways to express yourself coming this fall. And don't forget, teens can keep track of what they read all summer long in order to earn prizes!
