| HOUSEHOLD GARBAGE | | See details under "More to Know." | Recycling Stations |
| YARD TRIMMINGS | Leaves, tree limbs, etc. | See details under "More to Know." | Landfill |

More to Know...

- **ANTIFREEZE** is accepted at all recycling stations. Antifreeze receptacles are provided at each station. DO NOT put antifreeze in the used motor oil collection tanks.
- **APPLIANCES AND SCRAP METALS:** Enclosed cylinders with valves are accepted. Barrels must be cut in half or have one end removed.
- **C&D DEBRIS:** Items accepted include floor covering, carpet, vinyl siding, plastic covering from building material, brick, block, sheet rock, plaster, plasterboard, PVC pipe, poly-fiberglass (tubs, showers and roofing material), glass (windows and doors), hardened concrete and cement, lumber, insulation, wall and ceiling tiles, paneling, wall paper and mirrors.
- **HOUSEHOLD GARBAGE** is accepted at all recycling stations. Please bring needles from home health care in a sealed plastic bottle separate from your garbage.
- **PAINT:** Drop off usable paint or pick up paint to use at the Recycling Stations. Cans with rusted lids and cans less than half full WILL NOT be accepted. To dispose of unusable paint, mix with sand, dirt or cat litter and let dry. Then pour mixture into a trash bag for disposal. Allow cans to dry and deposit them in the scrap metal container.
- **SWAP SHOPS:** Pickens County operates Swap Shops at all of its Recycling Stations (except Willow Springs). County residents may drop off unwanted items or pick up items they can use. Call **(864) 850-7092** for more information.
- **TIRES:** Large tires must be taken to the landfill; a fee of \$80 per ton will be charged to dispose large tires. Residents – with more than four passenger vehicle tires to dispose of – will be charged \$1.50 per extra tire. Rims do not have to be removed from tires.
- **USED MOTOR OIL, FILTERS AND BOTTLES:** The following petroleum products ARE ACCEPTED and may be put into all used oil collection tanks: motor oil, hydraulic fluid, gear oil, diesel fuel, fuel oil, kerosene, automatic transmission fluid and power steering fluid. The following petroleum products ARE NOT ACCEPTED at Pickens County Recycling Stations: varsol; brake fluid; paint thinner; refrigeration oil and any solvent, cleaner or substance used to clean paint brushes.
- **YARD TRIMMINGS** are accepted at Recycling Stations in small amounts only (a wheelbarrow load or less). Larger amounts must be taken to the Landfill and can be disposed of at no charge. On SATURDAYS ONLY, large amounts of yard debris will be accepted at the Easley Recycling Station.
